SMART KEY SOLUTIONS

Jarvis

World's first six button smart car key featuring custom ambient lighting. It's engineered with all Keydroid's signature features, including smart lock, smart window, and alcohol detection, making it the most practical, yet largest key

Tron 2.0

A slim smart key with a 2.2-inch UHD touchscreen, proximity locks, smart trunk and window control with alcohol sensor.

Slate

A sleek looking smart key with a 2.2-inch UHD touchscreen, proximity, trunk and window control and Apple Find My support.

Blade 2.0

The unique keydroid model with a different design, comes with trunk & window control, phone display and Apple car tracking.

Blade Flip

The sleekest Keydroid model with a unique asymmetrical design, supporting push and non-push start cars and a UHD touchscreen.

Hexa 2.0

Hexa 2.0 is a clean, affordable smart key with a 2.2-inch UHD touchscreen, smart locks, trunk control and HD themes.

Keybot Pro

Keybot Pro creates multiple smart keys from one existing key, adds app control, smart features, plug-and-play installation, extra key options, and one-year warranty.

Keybot

Keybot makes push-start cars completely keyless using your phone, offering wireless installation, solar charging, NFC backup, and nationwide service.

SMART TECH SOLUTIONS

Rearview DashCam

Keydroid dashcam offers 2K recording, 130° wide view, 10-inch touchscreen mirror, night clarity, G-sensor emergency lock, loop recording, one-year warranty.

Keydroid Photon

Revolutionary 280W LED bulbs deliver 28000LM brightness, no errors, plug & play installation, with industry's first four year warranty.

Keydroid Smart LED

Keydroid's latest headlight LEDs offer app based control for adjusting color temperature and brightness directly from your smartphone, finished in an elegant and luxurious gold tone.

ACCESORIES

CigCar

CigCar is a portable ashtray that filters smoke, prevents ash, protects your car's AC, avoids burn risks, and includes a cleaning brush for added convenience.

Metal Case

A custom-designed jacket-style metal case for the Tron Smart Key, featuring a durable screw-on build for ultimate protection, complete with a leather tag.

Key Leather Case

A premium universal leather case for Keydroid smart keys, crafted from pure leather to protect against damage and elevate your ownership experience.

Keyfinder

Keyfinder is a smart keychain for keys, bags, or valuables, Apple MFI certified, trackable via iPhone or iPad using the Find My app—no extra app needed.

NERVE | CAR FRAGRANCES

Rechargeable Car Electric Diffuser

The rechargeable car electric diffuser features a sleek design, efficient diffusion, easy controls, and convenient recharging for a seamless, premium in-car experience.

Air Smart Car Air Purifier

Keydroid Air Smart Car Purifier uses HEPA and UV filtration with AQI auto control, removing PM2.5, odors, allergens, ensuring cleaner air with warranty.

Car Mist Spray (Alcohol Free)

Science-backed Nerve fragrances that uplifts mood and wellness using pure ingredients for a luxurious, soul-healing driving experience. It's water based preparation makes it the right choice for your car. Offers widest range of 16 fragrance to choose categories like Luxe, Designer, Natural & Vedic.
