Dear Mr. Gautam,

This is with reference to your visit/communication and the court order submitted concerning the fraudulent debit from your account and the subsequent transfer of funds to an account held with HDFC Bank.

We understand the seriousness of the matter and assure you that HDFC Bank follows all legal and regulatory requirements in such cases. However, please note the following:

As per banking regulations, HDFC Bank cannot share customer-specific or account-related information directly with individuals who are not the account holders of HDFC Bank, even when accompanied by a court order.

In accordance with due process, all court orders must be served to HDFC Bank directly through the court or via the designated legal/government authority. Once the order is received through the official channel:

Our Legal/Compliance team will verify the authenticity of the order.

Upon validation, HDFC Bank will take the necessary action as directed in the order, including providing information or marking/holding funds, if instructed by the court.

Any refunds, reversals, or disclosures will be carried out strictly as per the court's directions.

We request you to kindly coordinate with the concerned court/authority and advise them to send the court order to HDFC Bank directly through the official service mechanism or their authorized email ID.

Once received through the proper route, we will fully comply with the directions mentioned in the order.

Warm Regards,
Kaustubh T.

Dear Kaustubh T. / Grievance Redressal Cell,

Thank you for your response dated 3rd June 2026. However, your assertion that the court order must be served exclusively via the court registry is legally incorrect and constitutes a willful delay in complying with a judicial mandate.

Please note the following undeniable facts of Case No. CRM-4630-2025:

1. The Hon'ble CJM Court passed this order under Section 503 of the BNSS explicitly based on the investigation, trail report, and formal statement of SC Harmandeep Singh (No. 2274/SAS Nagar) from the PS Cyber Crime, Mohali.
2. The Cyber Crime Police officially stated to the court that they have NO OBJECTION to the immediate release of ₹50,920 from HDFC A/c No. 50200100897455 (Atik Trade) to my SBI Account..

Furthermore, the Investigating Officer (IO) from the PS Cyber Crime, Mohali, has explicitly confirmed that the official email containing the certified judicial order has already been sent from their official government domain directly to both HDFC Bank and Bank of Baroda. Your defense regarding the lack of an "official service mechanism" is entirely invalid.

I will have to submit this certified judicial order to the Reserve Bank of India (RBI) Banking Ombudsman via the CMS Portal and otherwise i will also file for contempt of court orders.

Kindly coordinate internally with your Legal/Compliance team to locate the official communication sent by the Cyber Crime Police, or verify it directly with the PS Cyber Crime, Mohali.

Regards,
Tushar Gautam

Dear Kaustubh T. / Grievance Redressal Cell,

I must respectfully correct your characterization of my status. I am not a "third party" customer. I am the Petitioner/Complainant in Case No. CRM-4630-2025, which has been adjudicated by the Court of Chief Judicial Magistrate, SAS Nagar (Mohali).

The Hon'ble Court has formally recognized me as the victim of cyber-fraud and has issued an order under Section 503 BNSS specifically directing the release of funds to my account. My legal standing as the beneficiary of this court order is explicitly stated in the attached certified judgment.

I am not requesting "customer-specific information" regarding the account holder (Atik Trade). I am requesting the execution of a judicial mandate to restore assets that have been formally declared as proceeds of a crime by the Court of Law.

By stalling the execution of a judicial order by mislabeling the victim as a "third party," HDFC Bank is effectively obstructing the court's process.

I kindly request that you escalate this matter immediately to your Head of Legal Compliance or Principal Nodal Officer. Please acknowledge that:

1. I am the Court-recognized Complainant, not a third party.
2. The Investigating Officer (SC Harmandeep Singh, PS Cyber Crime, Mohali) has already officially intimated the bank regarding this order. Confirm with your deptt internally.

3. I have attached the documents in this email.

4. You can confirm the details internally from the deptt, from the documents or from the cybercrime deptt of your zone.

If the bank persists in this "third party" classification, I will have no choice but to place this email chain directly before the Hon'ble CJM Court to demonstrate that HDFC Bank is willfully disregarding the court's order and misrepresenting the legal status of the victim.

I look forward to your immediate confirmation that the legal desk is processing the release as per the court's directions.

Regards,

Tushar Gautam
